RE: Barbara A. Doyle Honored by LeadingAge Massachusetts

I am pleased to announce that our friend and leader, Barbara A. Doyle, President and CEO of Carleton-Willard Homes, Inc., was honored for her career of service to the cause of aging services by LeadingAge, Massachusetts at its state-wide membership meeting on Wednesday, October 12, 2022 held at the College of the Holy Cross in Worcester, Massachusetts.

LeadingAge Massachusetts, and its national affiliate, LeadingAge, are state-wide and national leadership organizations representing nonprofit aging services organizations widely recognized as the standard-bearers for quality. The award presented at the state association's membership meeting highlights the leadership that Barbara has demonstrated throughout her forty-year career. The award reads as follows:

**LeadingAge Massachusetts
2022 Distinguished Service Award
Presented to Barbara A. Doyle**

*For her outstanding contributions
To the field of aging services,
Her steadfast leadership and support of the Association,
And for 40 years of service at Carleton-Willard Village.*

While Barbara's distinguished leadership is obvious to all within the Carleton-Willard community, her leadership at the state and national levels is also well known. Barbara has been a mover and shaker at the state and national levels helping the nonprofit aging services movement to achieve the quality and reputation for which it is known today.

All these achievements are founded on the reputation and quality that we in the Carleton-Willard community enjoy today. We are fortunate indeed to have shared in the achievements and quality which Barbara's leadership has yielded.

Please join me in congratulating Barbara for this well-deserved, career recognition from her peers in the nonprofit aging services movement.
